GARDINER SCHOLARSHIP

JM³ Joyful Music Mind & Motion

Ages 5 and up

Thursdays 4:30 – 5:30 pm

August 16 – December 13 (no class on Nov. 22)

Saturdays 11am-12pm

August 18-December 8 (no class)

Based on a treatment approach developed by Tamela Ponder, MT-BC, this class uses music and movement interventions to maximize motor, language, emotional and social development.

Group activities allow students to interact with their peers in a fun musical environment, while working on developmentally appropriate behavior. Goals for this group include increased verbal and non-verbal communication, improved group interaction and social awareness as well as applications of developmentally appropriate cognitive concepts.

17 class --\$289.00

Joyful Families

Families with children, ages 2-5

Saturdays, 10:00 – 11:00 am

August 18 –December 8 (no class Nov. 24)

Led by a Board Certified Music Therapist, this music group focuses on stages of development using music and rhythm to guide play. Research shows that children who are exposed to music at an early age excel in many areas later in life.

Joyful Families will create a safe, musical environment for you and your child to experience music and work on developmental skills through child-centered approaches of music and play. Goals for this group include teaching parents how to use music at home, increasing verbal and non-verbal communication, social interaction and cognitive skills.

16 classes -- \$272.00

Joyful Voices

Ages 13 -30

Mondays, 4:30 – 5:30 pm

August 20 – December 17 (no class Sept. 3 or Nov.19)

Singing in a structured group is one of the best ways to become a better singer. Joyful Voices will engage young singers by using pop and musical theater songs. Students will work on breath support, articulation, vocal range and gain confidence while singing in the group. Students will have several opportunities to participate in local performances.

16 classes -- \$272

INDIVIDUAL MUSIC THERAPY AND ADAPTED LESSONS

Music Therapy is an established health profession that uses music to address the cognitive, developmental, physical and social needs of individuals of all ages. Board Certified Music Therapists will design goal specific programs for each individual while using music as the tool.

Many people with special needs show interest in learning an instrument but may not benefit from traditional music lessons. Our Music therapists specialize in adapting instructions based on individual strengths and learning styles.

Joyful Voices Jr.

Ages 9 – 12,
Wednesdays, 3:30 – 4:30 pm
August 22 – December 12 (no class on Nov. 21)

We are excited to offer a group for our young singers. Students will learn new songs and review ones they may already know. There will be entertaining warm-ups and exercises to get our younger singers laughing to put them at ease with one another. The students will work on learning breath support, articulation and vocal range. They will gain confidence and work on socially acceptable behavior as well.

16 classes – \$272.00

Joyful Percussion Ensemble

Ages 13 – 30
Tuesdays, 4:30 – 5:30 pm
August 21 – December 11 (no class Nov. 20)

The Joyful Percussion Ensemble is for teens and adults who love rhythm and enjoy making new friends! In this fun and exciting group, we will learn to work together as a team to play different rhythms with varying complexities. All participants will learn proper drum technique and etiquette when handling equipment. Each student will have the opportunity to contribute original ideas when writing cadences as a group. Participants should expect an increase in self-confidence, social skills and a sense of connectedness.
