Session 2 March 28 – May 30, 10 Classes

Saturdays 11:15am-12:15pm

Session 1 January 5 – March 9, 10 Classes

Session 2 March 16 – May 25, 10 Classes

Based on a treatment approach developed by Tamela Ponder, MT-BC, this class uses music and movement interventions to maximize motor, language, emotional and social development.

Group activities allow students to interact with their peers in a fun musical environment, while working on developmentally appropriate behavior. Goals for this group include increased verbal and non-verbal communication, improved group interaction and social awareness as well as increased cognitive skills.

10 Classes \$190.00

Joyful Families

Families with children ages 2-5

Saturdays 10:00 – 11:00 am

Session 1 January 5 – March 9, 10 Classes

Session 2 March 16 – May 25, 10 Classes

(No class March 23)

Research shows that children who are exposed to music at an early age excel in many areas later in life. Joyful Families creates an environment for you and your child to work on developmental skills through child-centered approaches of music and play. Goals for this group include teaching parents how to use music at home, increasing verbal and non-verbal communication, social interaction and cognitive skills.

10 Classes \$190.00

Joyful Voices

Ages 13 -30

Mondays 4:30 – 5:30 pm

January 7 – May 20 (No class March 18)

19 Classes \$361

Singing in a structured group is one of the best ways to become a better singer. Joyful Voices will engage young singers by using pop and musical theater songs. Students will work on breath support, articulation, vocal range and gain confidence while singing in the group. Students will have several opportunities to participate in local performances.

INDIVIDUAL MUSIC THERAPY AND ADAPTED LESSONS

Music Therapy is a healthcare profession that uses music to address cognitive, developmental, physical and social needs of individuals of all ages. Board Certified Music Therapists design specific programs for each individual and use music interventions to achieve goals. Our Music therapists specialize in adapting instructions based on individual strengths and learning styles.

Joyful Voices Jr.

Ages 9 – 12

Wednesdays 3:30 – 4:30 pm

January 9 – May 29

(No class March 20)

20 classes \$380.00

Students learn new songs and review ones they may already know. There are entertaining warm-ups and exercises to get our younger singers laughing to put them at ease with one another. The students will work on learning breath support, articulation and vocal range. They will gain confidence and work on socially acceptable behavior as well.

Joyful Percussion Ensemble

Ages 13 – 30

Tuesdays 4:30 – 5:30 pm

January 8 – May 28

(No Class March 19)

20 Classes \$380.00

The Joyful Percussion Ensemble is for teens and adults who love rhythm and enjoy making new friends! In this fun and exciting group, we will learn to work together as a team to play different rhythms with varying complexities. All participants will learn proper drum technique and etiquette when handling equipment. Each student will have the opportunity to contribute original ideas when writing cadences as a group. Participants should expect an increase in self-confidence, social skills and a sense of connectedness.
